## HOW OLD DO I HAVE TO BE TO GED TEST?

In New Mexico, you must be at least 16 years old to GED test. Submit the completed form to the YDI testing center, fax to 505-352-3486 or scan and email to [education@ydinm.org](mailto:education@ydinm.org). APS students should contact the APS office at 505-855-9042. Other school districts will require signatures of the District Superintendent and parent/guardian. Home Schooled students will require parent signature and the home school operator, as well as the Home School Confirmation number. The form is also called the **Underage Permission Form** and is available at the YDI Testing Centers or [on-line](#).
